## GOSSIP OF THE TURF.

A special dispatch from San Francisco to the St. Louis Republic of yesterday says:

"The supervisors are considering the advisability of modifying their anti-pool ordinance, which suppressed racing at the Ingleside track. Supervisors Collins, Aigeltinger and Holland have announced themselves as favoring a modification of the ordinance in order to give a short season of racing and coursing. Holland, while insisting that the subject had not been discussed at any caucus that he attended, declared that he would support an amended order with certain limitations. He said:

"I am in favor of a modified or limited racing season in San Francisco. You may remember that at the time the anti-pool order was passed I placed myself on record in the matter. It is a pity that the sport of horseracing should be ruined by the abuse which has characterized it here, and this is the view I then had of the situation, which caused me to state what was my attitude. Now, I'm opposed to making the race-horse a nickel-in-the-slot machine, with thirty-five cards in the machine, and that is what they have been doing at Ingleside. In the modified order I will favor having a short season, in which one week is reserved for California-bred horses and racing for a California cup, this to encourage the breeding of fine horses in this state. Another thing that should be stopped—betting by women and girls on the track, such as has been done through messenger boys between the stand and the betting ring. Indeed, there should be a clause inserted to keep off the track all minors, except the boys that are actually employed as jockeys or trainers. I believe that racing can be conducted here in limited seasons without doing any harm, and I am ready to vote for it that way."

With Montgomery Handicap day right at hand, the horses at Memphis are being sent along at a hot gait. Good work was done Monday which is thus described in the Commercial-Appeal of Tuesday:

"The work of the horses at the track yesterday morning was creditable. Algol, with heavy weight up, worked a mile in 1:45. Timemaker stepped the first three-quarters with him in 1:17. Algol finished the mile and an eighth in 1:57. Chantilla went a mile in 1:44, with 116 pounds; Freak, the same in 1:45; and George Krats in 1:45. The Morris stars, Manuel and Kentucky Colonel, easily negotiated a mile and a quarter in 2:16. Crockett and The Kentuckian worked together nine furlongs in 2:00. The fractional time was 13, 25, 51, 1:04, 1:17, 1:31, 1:45, 2:00. Crockett had up lighter weight and beat out the Simms colt handily. Matanza and Mariti went a mile in 1:45. Matanza showed a splendid burst of speed and got the better of the argument. She is a sure starter in the Tennessee Oaks, to be run next Monday. Czarowitz and Empress Josephine, from Senator O'Brien's stable, worked three-quarters in 1:19. W. Overton, who was yesterday declared out of the Metropolitan with Lieber Karl, breezed a half in 53. W. Overton will be given a trying workout this morning. Myriam G. breezed a mile in 1:49. The Morris two-year-olds, Bonnavard, Petit Maitre and Insurrection, stepped a half in 50. These three are considered high-class youngsters.

"C. T. Patterson's highly-tried Fonso colt, McMeekin, did not do so well, and 52 was the best he could hang up for four furlongs. J. J. Marklein had out a number of his two-year-olds, which worked nicely inside 53. The Barrister, a Derby candidate, was sent six furlongs in 1:16 and did it swinging."

Word reported from Louisville Tuesday in the Courier-Journal was of a fair order. It says: "Considerable work was done yesterday by

the horses in training at Churchill Downs, the track being in better shape than it has been for some time. The best work of the day was done by Admiration, the Tennessee and Kentucky Oaks filly, which worked three-quarters in 1:15. A full brother to Sir Vassar, in Bob Tucker's stable, worked a mile in 1:47.

"Among the Derby candidates John E. Maden's Mazo and Hapsburg worked a mile in 1:48, doing it with plenty of weight up. His Lordship worked a mile and a sixteenth in 1:52, and Ways and Means, his stable companion, negotiated the same distance in 1:52. The latter looked a little tired at the end.

"Rifle worked a mile in 1:49 and left for Newport last night. He is owned by Miller Henderson, and great things are expected of him. Gene Leigh worked two Sir Dixon fillies a half together in 50, with ninety pounds up. Isabeau was also sent a mile in 1:48. Louisville Belle, a filly in Henry Simons' stable, worked a mile in 1:51, with plenty of weight up.

"A number of two-year-olds at the track are stepping quarters in 24 and 25, and, according to Colonel Sam Bryant and others, they are farther along in their training than the youngsters at Memphis and elsewhere.

"Very little work was done outside of what has been mentioned. Kinley Mack and MacLeod of Dare worked a mile together, and some of the trainers say that Kinley Mack acted lame at the stretch, but this could not be substantiated."

According to the San Francisco Chronicle the horses lost through the burning of the car in which racers belonging to D. A. Honig and Barney Schreiber were traveling eastward were Zamar II., Fortunate, The Swain, Charley Quinn, a half sister to Modwena, and two colts that had never raced. The fire started directly above Rosebeau, which mare was badly burnt about the back, but she may live. Schiller ran away thirty miles and received several bad gashes in a barbed wire fence. The fire broke out about two o'clock, and there was no connecting bell rope, and the shouts of the attendants to stop the train could not be heard. Although the train was going at the rate of thirty miles an hour, one of the boys crawled to an express car and finally had the train brought to a stop.

The American-bred colt, Tophet, by Fiddlesticks—Toscana, winner several times over the New York tracks last year, won the Queen's Prize at Kempton Park, England, last Tuesday. It was worth \$5,000. When told of the colt's success his former owner, W. Meehan, said: "Of course I'm surprised at the colt's good showing in England, but, truly, I always had an idea that he would show up well some day. I bought him at a Belmont sale in 1897 for \$125 and raced him with indifferent success until July 18 last, when I sold him for \$2,000, William Roche being the purchaser. He, I believe, represented Johnny Lamley. The latter raced him on all the tracks until the season closed, and it was at the New Orleans meeting that the ex-jockey sold him to an English racing man."

Roscoe Troxler, the midget jockey, who was suspended at New Orleans for a reprehensible ride, is not making a very strenuous effort toward reinstatement. Influences have been brought to bear, causing the youngster to be put in a school where he will spend the next two years. At the end of that time the lad will be nearly seventeen years of age and will have acquired sense of judgment and discrimination that will help him in the straight and narrow path in case he is light enough to assume his chosen calling. Johnny Troxler, who was suspended at the same time, has concluded to quit the racing business. He gave away a two-year-old several days ago, which was the last of a small string that he raced.

## NOTES OF THE TURF.

First death of the season among the race-  
horses quartered at the Newport track occurred  
Monday. Dick Rome was the unfortunate  
owner to suffer. He lost his good mare Ma-  
zeppa, who died after a short illness. Mazeppa  
caught cold on the train coming from New Or-  
leans, and died Monday night from lung fever.  
Mazeppa was a bay mare, by Masetto—Rupee,  
and at the time of her death was five years old.  
Mr. Rome's loss is unusually severe, as the  
mare was at her best when taken down with  
fever.—Cincinnati Enquirer.

Tom Ryan is at a loss to account for the ap-  
pearance of split heels on the horses he recently  
received from the Whitten farm in Illinois.  
Tartarian, Ace, The Roman, Don't Skip Me and  
the two-year-olds are all affected alike. The  
California campaigners, however, including  
Dunois, are looking as well, if not superior to,  
anything at the track. Dunois is standing his  
"prep" for the Montgomery perfectly and will  
doubtless have a large following in that event.  
—Memphis Commercial-Appeal.

Sam Doggett has signed to ride for the  
Osceola Stable the present season. The Osceola  
Stable is owned by Thomas Watt, a prominent  
business man of Harlem, N. Y. Mr. Watt's  
colors were last season carried by Maid of Har-  
lem and Belle of H. The stable this spring is  
reported strong in fashionably bred two-year-  
olds.

On the Napa Stock Farm of A. B. Spreckels  
the famous mare, Geraldine, by Grinstead, has  
a handsome chestnut colt at foot by St. Carlo,  
and the imported Australian mare, Candid, has  
a bay filly by the same sire.—Breeder and Sports-  
man.

Lieber Karl, Nabob, W. Overton, Maximo  
Gomez, Hilee, Ordnung, Opaque, Whistling  
Con, Lillie Simmons, Handball and Autumn  
have been declared from the Metropolitan Han-  
dicap at Morris Park.

Secretary Green of the Pacific Coast Jockey  
Club announces that the California Derby,  
which was to have run at Ingleside on March  
18, will be decided over the Oakland track on  
Saturday, April 15.

Wm. Rogers, of Elkton, Md., arrived at New-  
port Tuesday with a stable of twenty-five  
horses with the fast sprinter Richard J. at the  
head.

Jockey Nutt is reported to be engaged to ride  
for Tony Licalzi this year.

Whistling Con has been declared from the  
Suburban Handicap.

## A FEW YEARLIES FOR SALE.

Some of the many courteous men who study  
DAILY RACING FORM have sent enough back  
numbers of the monthlies to make up five more  
copies of Yearly Racing Form. The book is a  
glory. Nothing like it in the way of racing  
literature was ever published before. Within  
its 3,500 pages are full charts of regular racing  
from January 1, 1898—No. 3492—to December 31,  
1898—No. 10186. That means the full charts of  
6,694 races. Yearly Racing Form is luxuriously  
bound in heavy morocco covers.

It's index runs from January 1, 1897 to De-  
cember 31, 1898—two years—and is on linen  
paper with a lettered thumb index.

The first book of this class was built for the  
editor of DAILY RACING FORM. It served him  
so well that all the spare sheets of 1898 form  
were bound into annuals of the same type.  
Five are being made up and are for sale at \$20  
per copy. The few books will be sold on the  
order of application.

## PEDIGREE BLANKS.

On linen paper, artistically edged in colors,  
ruled and arranged for six generations of sires  
and dams of individuals and their ancestors.  
Ten cents each, \$1.00 per dozen, \$3.50 per hun-  
dred. No owner of a stallion should be with-  
out a supply.
